# COMING HOME: PROPHETIC COMMUNICATION

LANGUAGE AS AN ACCESS TO SUSTAINED PARTICIPATION

# WELCOME

- Today you will be participating in a guided conversation about how to make THE difference in a world that is seeking you.
- We live in a world of fast-moving particles and rarely get a chance to reflect.
- Over the next half hour or so, we will explore the power of words and the impact that prophetic communication can have on your life.

## TAKE-AWAYS

- Prophetic Communication requires true sound listening.
- The future that we all get is the future we chose and forgot it.
- What if through all the plagues, droughts and famine, we only got truer to our calling.
- Prophetic language and listenings are vast enough to sustain us as long as we are clear about:
  - Who is listening
  - What are you listening
  - Communicating only from the word of a Prophet
